**Instructions: Fill out and return to Scoutmaster as soon as possible. You can not register yourself.**

The 2022 Merrit Badge Roster and the Complete Onteora Program Guide can be downloaded at [www.onteora.org/resources](http://www.onteora.org/resources)

- 1 - First time scouts must sign up for a session of Dan Beard, and can add one or two Merit Badges during their off time
- 2 - All other scouts select the top 5 Merit Badges you want to take and enter them in the first 5 spaces. Select 3 Alternates and enter below
- 3 - The Location info is in the 2nd column of the highlighted rows in the Merrit Badge Roster. EG: **COMMUNICATIONS = (CH)**
- 4 - Put an "X" in the time slots above exactly as they appear in the Merrit Badge Roster. The "X" shows the time when the Merit Badge meets.
- 5 - The goal is to have each Merit Badge with it's own time slot
- 6 - If you have an empty time slot column (EG: 10AM without an "X") then only 4 of your choices will work. Choose another that fills the empty time slot.
- 7 - If there is an "X" in the Pre Req. column, enter it here and know that work must be done ahead of time for that Merit Badge. Download the full Program Guide from our website to see what the prerequisites are.
- 8 - If there is an amount showing in the Cost column, enter it on this form too. This is an extra cost that must be paid to the Troop.
